Dan,

Here are some initial comments from the Nongame & Endangered Wildlife Program at NHFG. These are intended to be initial comments for discussion at a upcoming meeting - focused on Spring & Summer Wildlife Surveys. My understanding is that our Fisheries Division submitted additional comments. We have a number of staff that are involved in different species that I will invite when we have a meeting. I will be out of office for next two weeks.

Also, attached are the mussel protocols that NHFG and USFWS discussed with Normandeau. I cc'd Susi and Brett from USFWS in case they had additions to this protocol.

Check out reptiles and amphibians of NH!!: http://www.wildlife.state.nh.us/Wildlife/Nongame/reptiles_amphibians.htm

Report your sightings of reptiles and amphibians in 3 ways:

1) snail mail your reporting slip (http://www.wildlife.state.nh.us/Wildlife/Nongame/RAARP/RAARP_report_form_NEW.pdf)

2) email details of observation or completed form

(http://www.wildlife.state.nh.us/Wildlife/Nongame/RAARP/RAARP_WildlifeSightings_EmailForm.doc)

to RAARP@wildlife.nh.gov or

3) enter your observation online at <http://nhwildlifesightings.unh.edu>.

Subject: Agency Comments on Spring Surveys

Hi Mike,

Thanks for your call. Courtney Dohoney will be reaching out to schedule a meeting. I think in terms of timing, it might make sense for you to provide your comments first and then we can sit down and talk through it. I am figuring with

trying to coordinate schedules, that we wouldn't be meeting before the week of 18th and probably not until the week of the 25th – so if we can get your comments before that, we can keep things moving and have a draft plan to talk through in our sit down meeting based on your initial comments. Let me know if that schedule works for you and your people.

Also, to everyone on this list, if there are other individuals who should be on this distribution, please let us know.

Thanks,
Dan
